WINNING STREAK IS ON THE LINE...

Resurgent sequoits go for 4 in a row against Scouts

Riding a 3-game winning streak the Sequoits will face the Lake-Forest Scouts for their Homecoming game tomorrow at 1 p.m.

The team's entire view of the upcoming game seems to have been bolstered by their recent victories.

"When we go into a game believing we will win we usually do, last year our morale was way down," said Sequoits senior halfback Tom Rompella.

Although the sequoits are noticeably improved over last year, the team will face another vastly improved team in the scouts.

"They're a big team, with a huge line. They throw the ball

decent and have a strong defense. They're a lot better than last year, but so are we," said Antioch's head football coach Del Pechauer.

One problem the Sequoits may run into is the Scout's senior running back Rober Smith-Bergrud.

"He can hit top speed before you can blink, he's very agile and if we don't stop him at the line he'll be gone," said Defensive coordinator Mike Gordy.

Some members of the Sequoit defense are looking forward to the matchup.

"The Defense isn't worried because we are solid and able to contain the speed of an opposing running back," said senior defensive end Richard Brown.

The Sequoits have attempted to platoon the offense and defense and currently have only one two-way starter.

"We have fresh legs coming onto the field," said Gordy.

Overall the Sequoits have high hopes about winning their game tomorrow.

Last week the Sequoits defeated Round Lake 37-10. This was the third win in a row for the Sequoits putting them at 3-1 on

the year.

Sequit players attribute their success to a variety of reason.

"We have a lot of veteran leadership and strong support from the junior class," said senior offensive lineman Nick Fullerton.

Practice habits may also be playing a part in this year's success.

"We have much better work ethic... the team really wants to win this

year. It's actually a team this year," said senior defensive end Chris Kiddoo.

"I'm confident that after winning 3 games in a row we'll have a lot of momentum going into the homecoming game."

Shooting for par...

Boys Golf beats school record

After beating school record, boys have a heads up to finish off the season

By Amy Knutson and Amy Shouse

Without a doubt, the Antioch Community High School's boys golf team has set a high standard for their season this year.

Though now it is only half way through their season, they took an early start beating not only their goals as a team, but their all time school record.

With 36 being par for 9 holes, and 144 being par for 4 players, ACHS managed to shoot 140. Individual scores that contributed to the overall score were senior Doug Brasky who shot a 33, senior Quinn Haley, 36, junior Justin Maciuk, 35, and junior Chris Acuff, 36.

"It felt good beating the school record because it showed that we could shoot as low as any other team out there," said Brasky.

The team believes they can hold a steady placement within their division, which will give them a superior end to their season.

This year the varsity team seems extremely close, supporting each other and encouraging each player to do their best.

"Even though golf is an individual sport, we are a really close team and support each others falts and accomplishments." said junior Joe

Kinney.

Although golf is not exactly a team sport, this team has worked hard together to improve their individual game. "There's no way we can really work together as a team but we do support everyone in hopes that they shoot their best," says senior Quinn Haley.

In the most recent years, the ACHS boys golf team has never been this ready to blow off the season, in plans to attend state and place well. Their hard work and dedication to achieving their goals will carry them to the next level in advance. "I think we will do good if we can put 4 individual good scores together," said Brasky.

This year the team seems to be keeping up with major competitors, with their record being 5-2, led by captains junior Joe Kinney and senior Andrew Curto.

The boys have an invitational tomorrow at Lake Forest at 12:00 p.m. Although the competition will be tough, their confidence is high and they believe they will return to Antioch with another win.

Junior Joe Kinney is reading the green on the 3rd hole, eager to make his putt.
