Sequoit

Sports Briefs Baseball struggles in early season play

Starting off Antioch had a bit of trouble being down 8-0. With good base running, tough at bats, and home runs they came back to take the lead, beating Wauconda 14-13 on Sat April 19. Coming back for the second game with good momentum from the first, Antioch started off scoring seven runs in the first two innings. Pitcher Ken Karagiorgas held Wauconda to two runs over 6 innings to a 7-2 victory. The boys are currently 5-5 overall and 5-0 in the NSC Prairie Division.

New look same success for softball

By Jake Anderson

With a new coach at the helm a brand new place to call home and even a new look with black jerseys the Antioch Community High School softball team may wish to keep some things the same this season.

What I mean by that is that the Sequoits will look to repeat the performance of last season as they saw major success.

The team is very balanced when it comes to year of athlete as it is composed of six seniors, six juniors and three sophomores.

The Sequoits have opened the season

strongly as they have compiled an 8-4 overall record thus far. Including a thrilling 18 inning stint with conference foe Lake Zurich that had to be split into two nights.

The game was ended on an RBI hit by Sophomore Kaley Lindstrom.

"The team has opened well and our focus is on maintaining the winning throughout the season."

Said Assistant Head Coach Jamie D'Andrea.

Another interesting victory for the Sequoits was the absolute clinic they put on against Round Lake winning 27-3.

The Sequoits then played Round Lake again and beat them 19-1. Big contributors to the winning effort were junior Ashley Mysliwiec who went 3 for 4 including a triple and home run and Sophomore Allie Antilla who went 2 for 4 with 3 RBI. The game was pitched by junior Jamie Villalobos who tallied 4 strike-outs.

"We can do special things when we are firing on all cylinders, I don't know of any team we can't go toe to toe with." said

junior Jen Precht.

The next game for the Sequoits takes place tonight as they travel to Dugdale Park to take on the Lady Bulldogs of Waukegan who currently hold a record of 4-7.

When asked about tonight's game junior Angela Marescalco said

"We always have a good chance of winning against any team, we have to think one game at a time and pick up the win tonight."

The Sequoits competed against the Carmel Corsairs at McMillen Field Friday April 11, the Sequoits fell 4-2. Clockwise starting from top left: Second baseman Allie Antilla fields a ground ball in the first inning. Catcher Anne Bruce makes contact providing one of the four hits allowed by Carmel. Pitcher Rachel Tack. Sammie Seamon looks to create offense. Melisa Ori throws out a Carmel base runner at first.

Boys track falls short of Prairie championship

The Antioch Community High School track team vaulted into second place this past Tuesday with a dual meet losing to Lakes Community High School and defeating North Chicago High School. The boys meet at the Crystal Lake Central Invite today to compete.

Boys Tennis deals with inexperience

With the start of a rough season, Antioch Community High School's Boys' varsity tennis team isn't expecting to earn much credit this year. But that doesn't mean that there isn't room for improvement for next year's season. With only one senior on the team, returning members are expected to shine individually and as a team.

Tomorrow the Sequoits will battle it out against the Wolves at Prairie Ridge High School.

Soccer remains undefeated in NSC Prairie Division play...

Sequoits continue dominance

By Kelsey Lannert

As of Monday night's home game with Wauconda the girls varsity soccer team finds themselves currently in first place in the Prairie Division. Junior forward left player Jenna Krumpus scored the game's only goal two minutes into the second half of the game, beating the Bulldogs 1-0.

The girls went into the game with a 2-0-1 conference record. After winning against Wauconda, the team has a strong holding for first place in the division.

"We told them they had to have the best performance, and they did," stated head coach Charlie Trout.

"It was a very competitive game. We played our hearts out and our efforts were shown through out results," said varsity captain Christine Kwilosz.

According to assistant coach Hannah Drye, the girls have been practicing "finishing" [scoring]. The girls have been struggling with creating good quality opportunities for scoring, but failing to actually getting the ball in the goal.

The team has a solid defense and fast midfielders and forwards.

"Everything really came together in that game," said captain Kali Krumpus.

The team started out the season battling the weather and conditions

Forward Susie O'Connor recovers from an in air collision with a wauconda defender.

of the fields, but has not let it affect for the rest of the season.

According to Trout, all the team needs are two more conference wins to grant themselves first in the division. Trailing close behind them are Lakes and Vernon Hills.

"If we play as good as we did [at the Wauconda game], we

should pull through and hopefully win the division," stated Kwilosz.

The girls played games against North Chicago on Wednesday and Marian Central Catholic Thursday night. Score were not available upon printing. Tomorrow, the girls play at the DeForest Invite.
