
ACT Prep Class

Want to do your best on ACT? The ACT is an important test for college admission and scholarship opportunities. In April all juniors will take the ACT as part of the Prairie State Achievement Exam.

Antioch High School is offering a course to help students be successful on the ACT. The course consists of 12 classes covering all parts of the ACT. The classes will acquaint students with the expectations of the test, enable them to analyze their own results on the practice test they took in the fall, show them how to use the ACT on-line preparation service, and sharpen their understanding of key skills covered on the test. All classes will be held at ACHS. Last year students who took the course increased their scores from the pre-test to the ACT they took in April.

The program's cost is \$125, which includes an ACT prep. book. If there is large enough enrollment, two slots will be open each night: 3:15-4:15 or 5:30 to 6:30.

ACT Prep Class Schedule

| | | |
|-----------------------|-----------------------------|-------------------|
| Thursday, February 2 | 3:15-4:15 or 5:30-6:30 p.m. | Math |
